A NOSTALGIC TRADITION

PATTAYA

The Nova Lodge Hotel carries on a tradition of quality and excellence that began thirty years ago, when it started life as the Nipa Lodge. The name was changed on 23rd December 1993, when the Hotel took over its management.

Nova Lodge, under its former name, was the only hotel in Pattaya in 1964, and established its eminent reputation under its first General Manager, Mr. Kurt Wachtweitl, who now leads his field as the GM of the world famous Oriental Hotel in Bangkok. It has come to be recognized by many as an oasis of elegance and character in Pattaya, and is a much sought-after social center and home-from-home. The new management, together with the staff who have served here for many years, extend the warmest of welcomes to all their guests. Their aim is to provide and improve upon the comfort and facilities of a hotel that founded the heritage of Pattaya's quality resorts.

Welcome to you all, to a time honoured hotel, The Nova Lodge.
